Changing One Life at a Time Mission  
827 East Beargrass Place  
San Tan Valley, AZ 85143

Dear Minister Walker and Ms. Berry,

We would like to thank Changing One Life at a Time Mission for contribution of water to the Phoenix Indian Center for our COVID relief efforts to tribes in need. Your support contributed to much needed supplies to make a difference in the lives of those most affected. With your generous contribution we were able to deliver bottled water, cleaning supplies and sanitizer, face masks, nonperishable foods, pet food and baby necessities to tribal communities in need.

We continue to be supportive and working with the tribes in Arizona and we are grateful for your leadership and support.

The Phoenix Center, established in 1947, is the oldest and first social service agency in the United States dedicated to improving the health and well-being of American Indian people. We directly serve 7,000 people annually through our job readiness, prevention, youth, and cultural enrichment programs and services. Related outreach touches the lives of another 20,000 people annually.

From all of us at the Phoenix Indian Center—please accept our sincere gratitude and good wishes in these uncharted times. **THANK YOU FOR Making a Difference!**

Sincerely,

Patricia K. Hibbeler  
Chief Executive Officer
